

## Public Infrastructure Committee of Orange County (PICOC)

### A. Introduction

1. **Charge** - The Orange County Branch Public Infrastructure Committee of Orange County will promote infrastructure advocacy with the public and local agencies in Orange County.
2. **Goals**
  - Prepare the Orange County report card every three to four years
  - Provide presentations to the public on the status of infrastructure in Orange County and the state of California.
  - Assist with preparation of California Report Card
  - Keep the Orange County Branch informed of their activities.
  - Partner with the University of California, Irvine Affiliates and Association of California Cities – Orange County to develop and promote the Orange County Report Card.
3. **Branch Award** - Public Outreach/Education Activities and Other Activities

### B. Membership

1. **Committee Makeup** - The committee will be led by a chair who preferably has a professional license in Civil Engineering and experience with preparing the Orange County Report Card.
2. **Leadership and Organization** - The committee is led by a chair who work oversees the activities of the subcommittees.  
Committee Chair oversees all working groups for the various parts of the report card which include but is not limited to: Aviation; Levees/Flood Control; Ports; Solid Waste; Transportation; Urban Runoff; Wastewater; and Water
3. **Committee Appointments** - The president of the Orange County Branch appoints the chair typically based on recommendations by members of the committee each year.

### C. Subcommittees

1. Report Card - Subcommittee Chair oversees all working groups for the various parts of the report card which include but is not limited to: aviation; levees/flood control; ports; solid waste; transportation; urban runoff; wastewater; and water
2. Publicity - Coordinates with the Orange County Branch Publicity Chair to notify the media, public agencies, and the public about infrastructure issues and the release of the Orange County Report Card. In addition, the committee will assist in making presentations in Orange County regarding the current status of infrastructure in Orange County, California, and/or in the US.

- D. Procedures** - The Committee shall function in accordance with the Orange County Branch Constitution and Bylaws, and the current edition of Roberts Rules of Order - Newly Revised.
- E. Budget** - Funding for the report card is partially from Society SPAG grants and sponsors for the Orange County Report Card. The University of California, Irvine assists with the funding of the Orange County Report Card.
- F. Calendar** - no regular annual events at this time.
