Dear Mr. Tom Bogard,

Congratulations on being selected for the 2011 Excellence in Leadership Award by the Business Development Association of Orange County. This is a new award established by BDA/OC to honor leaders who have contributed to the betterment of our community. In fact, you are the first recipient of this new annual award.

The purpose of the Excellence in Leadership Award is to recognize "excellence" from outstanding leaders in our community for their awareness of and attention to issues and concerns that impact the quality of the work and/or living environment here in Orange County. The recipient must have a proven track record reflecting their vision and commitment to not only change, but to transform, impact and inspire others - future leaders in our community. You were selected in honor of your leadership of the Measure M freeway program that has a positive and lasting impact on the lives of all businesses and residents in Orange County.

The award will be presented on Thursday, August 18, 2011 at a formal ceremony to be held at the Strawberry Farms Golf Club in Irvine, California. The reception will begin at 5:30 pm with refreshments and hors d'oeuvres and the awards ceremony will be held shortly after at 7:00 pm. Please plan to attend the awards dinner as a guest of BDA/OC. See you there.

Sincerely,
